Learning Alternatives Families,

I hope that you are all doing okay in this heat. Our final days with students were a great opportunity to celebrate all the learning that took place during such a challenging year. It is an honour to get to be the principal of a school filled with such amazing students, supportive families and passionate staff. Thanks for helping make this year so successful.

Report Cards can be picked up tomorrow from 9:00am-2:00pm from your cohort teacher at your school site (Woodlands or John Barsby). If you are coming to John Barsby, please be mindful that the John Barsby Graduation Ceremony will be taking place outside the main entrance of the school. If you would like to pick up your report cards next week, please email me and we can set up a time to connect.

Lastly, I am thrilled to share that we will be offering a summer learning opportunity for any students that are interested. This will take place on Monday-Thursday at 8:30am-3:00pm from July 12-August 12 at Woodlands. All Learning Alternatives students are welcome to attend. This is a great chance to connect with staff, have some lunch, play in the gym or participate in some outdoor activities. There will not be a strong emphasis on academics and students can stay for as long or short as they wish. I will email out more details on Friday, July 2. Keep being awesome and thanks for such a great year.

Proud Principal,

B. Hancock
